MEN WANTED!

You know that many of America's big-gest business men owe their success in a large measure to the fact that they were fortunate in being connected-fre-quently in a humble way—with businesses that were destined to become great na-tional organizations.

The PIGGLY WIGGLY system of mer-chandising, nationally known, has been adopted by the American people every place it has operated. Its commercial and financial record has been one of the most conspicuous successes of our time. Less than six years old, the PIGGLY WIGGLY system has now over 1,000 stores in operation all over the United States and Canada.

James W. Elliott's Business Builders, Inc., owns and operates the MANHATTAN PIGGLY WIGGLY CORPORATION. It is raising the capital for the operation of over 2,000 stores in Manhatan, Bronx, Brooklyn, Queeus and Richmond: Nassau, Suffolk and Westchester counties: Long Island and suburban New York; the State of New Jersey, north of Trenton; Western New York State, and in Maine, New Hampshire, Vermont, Massachusetts, Connecticut and the State of Connecticut.

The Business Builders is now operating PIGGLY WIGGLY stores in the Metropolitan and suburban districts at the following addresses:

"PIGGLY WIGGLY is an interesting example of what the Chain Store System can do in the way of achieving financial success. In September, 1916, the first PIGGLY WIGGLY store was started in Memphis. Now-only six years later—there are over 1,000 stores, doing an annual business of \$60,000,000."
